“Mmmm...it makes my cock so rock-hard when you start kissing like that,” Sabby says, stroking his cock. “Especially when you both play with each other’s pussies,” he continues.

When the ladies start working Sabby, he starts feeling both their holes, but when he presses deep-er into Kathia’s backhole, she flutters—loving every second of it.

“Oh, I bet you want some of this man-meat deep inside your crinkle,” he says, watching as Sophie laps up his cock. “Well, let’s just see about that.”

Putting herself in doggie, Kathia spreads her legs open wide, and with Sabby behind her, he gently pulses his mushroomhead a little further inside her until he is balls-deep in her pink pucker.

“Oh, yeah!” Kathia says, her body undulating until she’s about to burst. Knowing exactly what to do—Sophie takes her finger and pries it deeply into her friend’s pussy—watching a river of her girl goo spread down her thighs.

“Get ready for it, ladies! I’m going to make a splash!” Sabby musters, pulling out his throbbing rod and splaying his seed all over the whores’ faces.

“You girls are too good to be true,” Sabby says, breathlessly. “I can’t say I have any complaints.” ♠

FRESHMAN FORNICATION

When I first started tutoring students at the community college, my friends thought it was just my plan to get my dick wet on some hot freshmen pussy. I swear my only intention was to make some extra money for grad school next year. The fact that it did lead to hooking up with a smokin' piece of freshman ass is pure coincidence.

Full disclosure, my bone was at full mast the first time I set eyes on Cathy when we met at her dorm room for a brush up on chemistry. Her full, red lips were just begging to be wrapped around a swollen cock, and her tits were the perfect size and shape for catching a full load of ball juice.

Our first session started out innocent enough. But, only a few minutes into the session, Cathy pulled away from the table and said that chemistry was "boring." Then our lesson was officially terminated when Cathy said she was having a lot more fun studying the lump in my pants.

"Does your dick hurt being all locked up like that," She asked. "Why don't you let him out to play for a while?"

Throwing all professional decorum right out the window, I dropped my pants and put up no resistance as Cathy grabbed my wood and fed it into her mouth. This chick might still have been an undergrad, but she

sucked dick like she had a doctorate in fellatio. She took the entire pole into her mouth and pressed her bottom lip on my balls.

As the senior in the room, I thought it was time to take charge. I stood Cathy up and made quick work of stripping off her clothes. I put her on the bed and lifted her ankles into the air. With her legs open wide I plunged my entire cock into her pussy with a single thrust. Cathy's slit was tight, but I could tell she was no virgin by the way my thick boner eased its way into her crack. As I pumped away, Cathy reached down between her legs and gently squeezed my sack.

The sensation was too much to take, and I pulled out in time to send my spunk splashing onto Cathy's tits and belly.

Currently I have "sessions" with Cathy three times a week. Oddly enough she is yet to get her chemistry grade above a D.

DECADENT DECORATOR

By trade I am an interior designer, and I spend a lot of time with clients in their homes. Laura, a gorgeous, long-legged brunette, was new to the area. She had moved into a house in the upscale part of the city and was looking to decorate it with the settlement she received in her recent divorce.

In discussing color schemes and furnishings, Laura and I had many dinners, and many late-night discussions over a glass of wine (or two). I don't quite remember the moment when the flirtation began. What I do remember clearly was that the day her master bedroom furniture arrived was the first time I tasted the dripping juices of her sweet, shaved pussy.

Laura confided in me about catching her husband cheating. I had also just ended a bad relationship, so neither of us thought too fondly of men at the time. I mentioned that I had experienced playing with girls before, and Laura admitted that she was looking to experiment with same-sex encounters.

At the risk of creating a very awkward moment, I pulled her close to me as we sat beside each other on the bed. I worked my tongue into Laura's mouth as five fingertips slid down her shirt and into her bra.

Though I would classify Laura as an "Alpha female," she let her submissive side show as I removed her top and bra. With her mams in my hands, I sucked at Laura's hard nipples as her tummy grew tight from her deep breaths.

Standing over Laura, I pulled her skirt and panties below her waist and down her legs. She looked up at me with a lusty stare as I undressed before crawling back onto the bed. With my tongue aimed at the pink skin poking from her pussy lips, I buried my face deep between her thighs.

Following my example, Laura spun me around so my box was over her mouth. I lowered my hips so she could get her first taste of pussy. I licked harder and faster at Laura's clit and she did the same to me until we were both trembling in a tsunami mutual release.

Laura and I now live together. We are exclusive, but we have not sworn off dick altogether. We are willing to make exceptions for the right guy to join us in threesomes. Any takers?

ASA AKIRA & MR. PETE

This Asian sensation always gives a happy ending...

A dozen roses, a candlelight dinner, and Barry White's sexy milk chocolate voice blooming from the speakers like sex itself may work with some chicks, but Asa Akira isn't just some chick. The only mating ritual that gets this Eastern honey's goo-pot dripping hot cream is a baggy nut sack and a wolf whistle. "That's all it really takes to win me over," admits the super horny, almond-eyed Japanese-American babe. "That, and a strong man willing to tell me what to do." Apparently, Mr. Pete fits the bill. He drives his one-eyed pussy popper inside Asa's cunt, thrusting deeper and deeper inside her. After banging her doggystyle, Mr. Pete unloads right there on her doorstep, dropping his sour shot of semen all over her shaven cunt lips. But Mr. Pete isn't done yet. As Barry White would say, "I've got so much love to give." ♣

BRIDESMAIDS

STARRING:

Jesse Jane, Kayden Kross, Stoya, Brooklyn Lee, Alyssa Branch, Vicki Chase, Johnny Sins, Erik Everhard, James Deen, Derrick Pierce, Bill Bailey, Danny Mountain, Giovanni Francesco

DIRECTED BY:

Robby D

AVAILABLE FROM:

Digital Playground

Alyssa Branch is on top of the world, as her beloved boyfriend, Giovanni Francesco, has just asked her to be his bride. Although this should be one of the most joyous events of her life, Alyssa's matrimonial merriment is riddled by a comedy of errors and pre-wedding shenanigans as her eccentric bridesmaids, Jesse Jane and Kayden Kross, vie for the title of Maid of Honor. Will Alyssa ultimately make it down the aisle and live happily ever after, with all of her bridesmaids in toe? Or will Alyssa's day of wedded bliss go down in a ball of blue satin flames?

This is the comical conundrum aptly laid before us by famed director Robby D, in his bridal event for Digital Playground called *Bridesmaids*. With a celebrated cast of the industry's brightest performers and celebrated starlets, a hysterical script that is full of laugh-out-loud hilarity, and seven smoldering sex scenes, this walk down the aisle proves that all is fair in love and weddings. So, with that said, are you ready to talk a walk down the aisle, porno style?

The misadventure begins in a road-house diner when Kayden Kross announces to the girls that Alyssa is finally engaged. As the girls erupt into joyful merriment for their friend, Jesse Jane puts forth a fake laugh and can't help but wonder why Alyssa would share the news with Kayden first. After all, she thought Alyssa and her were BFFs. Knowing that this situation is getting a rise out of Jesse, Kayden callously adds salt to her wounds by sneering, "I wonder who Alyssa will choose to be her Maid of Honor, probably me since she called me first."

With those few spoken words, the floodgates have officially flung opened, and the claws are out!

From this point forward, everything between Kayden and Jesse becomes a dog-eat-dog competition. While at the gym getting their bodies in tip-top shape for the wedding, Jesse takes center stage in a boxing ring with Erik Everhard, as Kayden hits the mats for some Jiu-Jitsu training from Derrick Pierce. Once Kayden notices that Jesse's boxing skills potentially may be stronger than her own, Kayden steps up her game. In one fail swoop, she pins Derrick onto the ground, arranging him into a triangle pose that nearly puts him to sleep. Scoffing at her bosom buddy, Jesse rears back her fist and sucker punches Erik's jaw, leaving him knocked out cold and seeing stars.

Now, as both bitches become really pissed off, Kayden rips off her sports bra and pushes her perfect tits into Derrick's mouth. Unsure about how to respond, he flips her over onto her back, peels her soggy yoga pants down her legs and begins devouring every morsel of her salty clam. "Oh, your tongue feels so fucking great," she smirks, glancing over at Jesse who is left with her jaw hung wide open.

Never one to be outdone, Jesse falls to her knees and yanks out Erik's anchor from his gym shorts. As his meat stick smacks her across the forehead, Jesse wrangles his wild beast with her small fists and lodges his length to the back of her throat. Now, with loads of saliva pooling from her mouth, collecting on the mat below, Jesse continues her reign on top by cradling his nuts with her tongue like two lovers nestled together in a hammock. "Wow, you think that I am the best cocksucker?" she loudly smirks, sinking his hard cock between her two Double-D chest pillows for some good ol' fashioned titty fucking.

Pumping her fists in anger, Kayden arranges herself on her hands and knees until her beautiful butt blossoms and a deep arch sets in her

lower back. Holding onto her curvy hips with his paws, Derrick takes his position behind the blonde beauty and slams his cock into position. Wincing with both pleasure and pain, Kayden enjoys his aggressive approach, and encourages him to playfully smack the curve of her ass as his hips continue bucking and fucking like a bronco bull.

"Fuck that!" Jesse snarls, interlacing her long legs in the ropes as Erik positively pummels her pussy in a missionary style arrangement. As both pussies froth and pop, their opposition for one another reaches a boiling point. In an effort to extinguish their unfathomable flames of envy, the men pull out and spray down the dueling divas with healthy blasts from their respective skin hoses. It's hot!

Now at the formal fitting for bridal attire, Stoya takes Kayden to the side and asks, "So, how far are you two going to take this?" With a guilt-ridden look in her eyes, Kayden turns her cheek to her friend, folds her arms like a spoiled brat and pouts, "I don't know what you are talking about."

As Stoya leaves her there to stew in her self-created desolation for a few moments, she eyes the hot bridal shop owner, James Deen, and motions him to join her in the back office. Hot on her heels, his belt is unbuckled and his zipper unhinged long before his hand reaches for the door.

Once inside, James doesn't feel the need to waste any more time. Before a word is spoken between them, he has her left foot plated on his desk and is barreling into her hairy beaver in standing doggie. As her porcelain skin reddens and her voice squeaks and squeals, Stoya thrusts her body back, creating a clatter as their crotches collide. "Fuck yeah, baby," she continues, watching him hammer his nail into her hole.

Now, in reckless disregard for damaging or staining Alyssa's beautiful wedding gown, Stoya keeps the lace garment affixed to her naturally slender frame as James spins her around into missionary position. With her long limbs wrapped around his waist, Stoya swivels and swirls her hips into his groin, stirring up a creamy batch of beaver butter as she gets her fill.

Intently pumping her hole with pole, James continues ravaging his eccentric plaything at a record pace. After Stoya succumbs to more vaginal and anal pounding, her creamy white chest turns beet red and her long toes curl up into perfect ballerina points, as she churns out an orgasmic blast that makes our hair stand on end!

Later still, after a terrible catfight ensues, leaving Kayden and Jesse's bridesmaids gowns in shreds and shambles, they decide to try to come together in harmony as the wild bachelorette party is about to commence.

As the music pumps and the cocktails go down nice and smooth, the door busts open and Johnny Sins, a hot male strip-

per, starts bumping and grinding on top of the over-heated honeys. "Show us what you're made of," Brooklyn Lee shouts, while pinching his ass and flashing her fleshy tits.

Offering them a little more bang for their buck, literally, Johnny aptly strips out of his cop uniform, allowing his fat cock to dangle in front of the beautiful bunnies like a carrot stick. Crawling over the top of the couch, Stoya and Brooklyn go straight for his bat, as Kayden and Jesse fight for his balls. Securing his double dangles into her mouth, Jesse happily steeps his reddened set, while Stoya sucks the head and Kayden licks the length of his shaft. To ensure the ultimate pleasure, Brooklyn takes it upon herself to pinch his nipples and slather his inner thigh with juicy kisses. "I'm in heaven," he boasts, watching four of the most gorgeous women imaginable servicing his manhood from root to tip!

As the orgy pushes forward, Kayden and Brooklyn take turns jockeying his cock in reverse cowgirl position, while Jesse and Stoya take refuge between each other's dripping wet wantons. "You're so fucking sticky wet," Jesse purrs, coating her puffy lips with scads of Stoya's silky syrup.

When it's time to switch things up, Johnny grabs Stoya by the waist and bends her over the armrest of the sofa. Once securely in place, he makes mince meat of Stoya's buttery muffin in a standing doggie arrangement. Quick to lick up the drip, Brooklyn positions herself underneath their penetrative action, licking up their tangy sex sauce as it comes sliding down Stoya's statuesque legs.

Knowing that her pussy is about to be pummeled next, Kayden bangs on her hole in the same instant that she's sliding her tongue in and out of Jesse's soggy snapper. "I can't fucking wait for that cock," she snarls, eventually unlatching her lips from Jesse's overflowing juice box in an effort to crotch-connect with Johnny.

Happy for the opportunity to try out the look and feel of a fresh new pussy, Johnny slips his cock into Kayden's coochie in missionary position. Gingerly taking a seat on top of Kayden's face while Johnny continues splitting her at the seam, Brooklyn ensures her clam is thoroughly shucked by Kayden's skillful tongue. After each girl gets an adequate amount of gavel in her gash, Johnny pulls out of Jesse's juicy hole and sprinkles the girls with showers of cum.

With more sexual shenanigans and childish pranks left to unfold, we're pleased to announce that there are still many more twists and turns left in this wedding day fiasco, including three additional sex scenes starring Vicki Chase, Brooklyn Lee and Alyssa Branch.

When all is said and done, you're going to be pleasantly surprised to see how these naughty nuptials unfold and the matrimonial bliss that is sure to follow. With action this funny and female talent this hot, this is one wedding you'll definitely want to attend! ♣

SASHA & RENATO

*A day at the spa turned into
an afternoon delight...*

34048

Sasha went to the spa for some "me time," and what she got was a lot more than she expected. Her original thought was to get a mani, pedi and massage, but instead when she saw hunky Renato was the one who was going to cater to her needs, those needs became carnal.

When they went into the room, Sasha quickly started shedding her clothes. She didn't care if Renato would be shocked or not — she knew what she wanted right there and then. Once he saw her flawless body, Renato's dick started straining the front of his pants and Sasha took that as a green light to go ahead with her plan. She took out his throbbing member and immediately dropped to her knees and sucked it even harder, then she got down on the table, spread her legs and showed off her tight pussy.

Renato took his turn on his knees and licked that golden pussy clean, getting it nice and wet for his cock. He hopped right up and slid right into her in one motion. The horny couple traded positions back and forth. Neither was ready to stop, and they didn't care how much time it took. He fucked her like a true pro and when he was ready to bust his nut, the day at the spa turned into a sticky facial. 🍌

MADISON IVY

The busty blonde star takes in on herself...

“I love to play with my tits when I masturbate. My nipples are so sensitive, that I swear I can make myself cum just by pinching them.”

Madison massaged her boobs and pushed them together, imagining there was a healthy stick of manmeat between them as she spread the pale lips of her pussy. A single finger passed through her warm, moist slit.

Upon sliding her satin panties over her hips, hose-covered legs and heels, Madison turned on all fours, placing her head onto the bed and lifting her naked ass towards the ceiling. Reaching back between her legs, the platinum blonde diva raised two fingers and tucked them firmly in her tight crevice. Madison appeared to lose her self in the sensation of self-gratification, moaning uncontrollably as an intense succession of orgasms consumed her petite frame, and pussy juice tricked into a circle of wetness on the bed cover. ♣

ERIKA, AGNES & DAVID

*It's share and share alike
for these gal pals...*

There's not a man on earth who hasn't aspired towards the ménage à trois. Pulling off a threesome without ending up alone, pulling yourself off separates the greats. It's hard to get the right kind of sexual energy at the right time, but David found a foolproof secret that works every time—his girlfriend Agness is a degenerate pussy eater! So when the pair "accidentally" run into his blonde ex, Camila, he encourages the girls to get to know each other. Soon enough they're swapping spit and almost splashing around in pussy juice. Dave simply inserts himself and voila! Twice the pussy! ♣

We understand you're flying to Jamaica in the next few days. Is your trip one of business or pleasure?

Perhaps a bit of both. I'm flying out to Jamaica for Adam & Eve Pictures. I'll be joining Alexis Texas, Teagan Presley and Monique Alexander. Basically, we are going to be hosting a couple's weekend. It should be loads of fun. Every night, we'll be participating in themed parties. One night it will be Pirate themed, the next night will be black and white, followed by naughty schoolgirl. So, it should be so much fun to dress up and mix things up. I'm so excited. I could use a vacation.

70 BEST OF CLUB

Have you ever been to Jamaica before?

No, it's my first time. I hear it's beautiful. I know I'll have a good time.

You once mentioned that Bonnie Rotten is a fictitious character you created. How did you come up with her?

She was inspired by Rockabilly music and horror movies. I happen to love both. I created a character that fused both of those things into one. My friend is a tattoo artist. Together, we looked through books of images and poses and found one that I loved. We took that pin-up girl's image and turned her into a sexy zombie. That's how Bonnie Rotten was born.

How did you decide upon the name, Bonnie Rotten?

I picked the name Bonnie Rotten because I loved how it sounded and thought it was cute. That is the perfect zombie girl name. Don't you think?

Describe Bonnie Rotten's sexual style.

Three simple words: messy, passionate and aggressive!

Is that how you enjoy your lover's as well?

Oh yeah! All three are a must!

Are you Bonnie Rotten on a regular basis, or is she just a sexual character that you become while performing?

That is a hard question to answer. Bonnie Rotten is a normal person. She is apart of me. She's not some airhead girl or some bad ass. She's just a girl who has a deviant, sexual appetite. Bonnie Rotten can't get enough.

So then, if you were hungry for sex right now, what would be on the menu?

I haven't been DP'ed in a while. I might be in the mood for two cocks instead of one. Yes, that is exactly what I'm craving at the moment!

Which two men would you choose to satiate your sexual hunger?

Karlo Karrera and Ramon Nomar. I adore Latin men. Those two guys are big, sexy and scrumptious. I'd love to be tossed around the room by those two. Oh, I'm getting so heated up just thinking about it.

What is it about Latin men that turns you on so much?

I have had nothing but great experiences with every Latin man I've ever worked with. They are just passionate, dirty and are so much fun to fuck. And, don't get me wrong, I'm not saying that I only like Latin men. There are definitely other types of men that I like. It's just something about the way Latin men fuck me that is amazing. They just have a little extra spice that a girl like me needs. Latin people, both men and women, have an extra splash of passion in their blood. Toni Ribas, Roman Nomar, Karlo Karrera and Marco Banderas are fine in my book!

What about Nacho Vidal?

I've never worked with him. I'd love to work with him, although I'm a bit scared. Actually, my asshole is the one that is scared.

Have you ever considered the fact that Nacho might be scared of you?

Yeah right! I don't think so. Nacho doesn't appear to be the type of man that scares easily. (laughing)

Back in Ohio, where you grew up, did you feel sexually oppressed by your surroundings?

Many people in Ohio are church-going people, which is absolutely fine. However, this makes them not very outright when it comes to sex or sexuality. This mentality carries through to their children. Although they are out doing promiscuous things themselves, they are still very judgmental. In places like that, you can't do what you want without people talking about it or turning into something bad. I don't know how to describe it better than that. Although I cannot and will not make generalizations about *everyone* in Ohio, I can say this; many people in Ohio are weird as hell. Maybe there's something in the water that makes them do evil, vindictive things that hurt. I'm not sure.

Really, what type of evil or vindictive things?

I've had money stolen from my house. I'm talking about ridiculous things like that. Isn't that eerie. People are shady there. I'm not going to say everybody, but certainly a fair amount. Ohio just seems to be a very repressive environment to live in and everyone seems to be ashamed of everything that they do.

Was your body art a way of separating yourself from the pack, thus creating your own unique identity?

Yes, it was. It was a way of expressing myself and my thoughts. I started tattooing myself when I was thirteen. Once I was older, I began getting more professional, elaborate tattoos. My first tattoo was the zombie on my lower stomach. His name is Henry. He is the zombie from the *Night of the Living Dead: The Beginning*- Comic Book, Issue #1.

Once you arrived in Los Angeles, did you feel more at home here?

There are certainly a lot more people out here that are more like me. Los Angeles was great in many ways and challenging in many ways. For one, I still had a small town mentality. Whether people had tattoos or not, I was still intimidated by everyone here in Los Angeles.

Sexually speaking, did you find more comfort and freedom in Los Angeles?

This is why porn has been such a blessing for me. When I was back in Ohio, I could never do the things that I wanted to do. I was so sexually oppressed. Then, when I came out here, I found my sanctuary. People accepted me. Although there are always going to be people that judge what I do, there are more people here in Los Angeles that offered me a positive response, rather than a negative one.

Well, here in the adult community, you can be as naughty and sexually explorative as you want to be. Trust us; no one is going to turn up their nose at that. In fact, you'll be applauded for your sexual openness.

I totally agree. It's a great thing!

Due to your exceptional look, do you feel you are type-cast either in life or in your adult career?

Sometimes that happens. A lot of time, people think that I am a much bigger person than I really am. In fact, I am a bit taller but am quite petite. I'm a little girl. Second of all, if you read my interviews or watch my attitude in my movies, you can see that I don't come off as a bad ass. I'm not a bad ass, far from it actually. Although my look may seem intimidating, in reality, I'm really a sweet girl.

Did your unique appearance affect your work prior to porn?

Before porn, I modeled for the automotive/motorcycle industry. I worked in a lot of car shows and expos. My look worked out great for that. Then, I shaved all my hair off which made for a harder sell. I had to come back down to reality and grow my hair back. I had to turn away from that punk stage in my life and return to normal.

Did or has your look affected your work while in porn?

When I first got into the industry, I never expected to be big. Everybody told me that I would be dubbed an ALT girl and would be pigeon holed. They said I would only be hired by very selective companies. I said, 'No,

I'm not. I'm going to go out of my way to not be that.' I went after the big companies. I thought to myself, I'm going to go out of my way for them. I'm not going to give them any reason not to shoot me again. I went to the companies that don't normally shoot tattooed girls and introduced myself. I wanted to give this industry 110%

Every director who we've spoken with, that has had the privilege of working with you, says that you are an absolute pleasure to have on set. Director Jonathan Morgan (Wicked Pictures) is one of your biggest fans.

I wanted my tattoos not to mean anything. I wanted my professionalism and my performances to speak for themselves. Jonathan Morgan once told me that he wished I could be in every one of his movies. He was impressed with me. I couldn't believe that a director of that caliber was saying those kind of words to me, after only having been in the industry for one year. It was then when I thought to myself, 'Okay Bonnie, job well done!'

We would also like to add quite intelligent, well spoken and extremely charming.

Why, thank you. I appreciate that.

Are you equally attracted to women as you are to men?

I'm attracted to the right women. I love women that are motherly and that have a certain swagger to themselves. I like my women to possess a classy demeanor. I don't enjoy trashy girls that get drunk and go crazy. I love sexy, classy women.

MILFS?

Not necessarily just MILFs. There are younger women who could fit that bill too. I prefer my women to be classy on the inside and on the outside.

Can you give us an example of a starlet that would be a great example of the type of girl you like?

Veronica Avluv. She is a MILF but is an example of the type of woman that fits the bill. I love her. She's so beautiful and passionate. She really loves sex and gets a twinkle in her eyes when she's performing. It's impossible to peel your eyes away from here. She's an extraordinary performer.

Tell us about a memorable scene shot with Veronica Avluv.

She and I did a gangbang together. It was great. We had such a great time. She and I fucked six guys. In the movie, *Secret Soiree- Brazzers*, she played the role of a party hostess and I was her lovely assistant. Basically, she invited men over to show me off. We wore elegant dresses, aprons, and served men delicious hors d'oeuvres. We were on this Lazy Susan on a marble table. They were spinning us round, while we sucked them off. Then, the table snapped in the middle of our scene. It was so funny!

Are you known for bringing your work home with you?

Not really, although I have brought a few girls back home with me. I work so much. And, when I'm not working, I'm feature dancing. Actually, I fuck plenty of people on set.

Do you have any secret phobias?

I hate spiders and clowns. A makeup artist friend of mine, just sent me images of Bill Bailey dressed up as a clown. It freaked the shit out of me! He looked so disgustingly creepy. I know there are people that like clown porn, but I don't get it. I don't like that. I can't tell what's behind their makeup. Gross.

Do you have any past memories involving clowns that would make you hate them so much?

Whenever I would stay at my aunt's house, when I was a child, she would use a figurine of a clown holding a poodle to prop open my door. I hated it so much. Finally, I had her put it in the closet. One night, my cousin played a horrible trick on me and placed the clown by my head while I was sleeping. Then he threw something at me, causing me to wake up next to that damn clown. He totally traumatized me. My fear of clowns is totally psychological.

We know that you are able to deliver squirting orgasms in your scenes. Are you able to make yourself squirt by using fingers and/or toys?

Yes, I can! When I orgasm, I kind of tense up and push out. This causes the water works. It's hard to explain. You have to hit the right spot, the squishy lumpy thing up in your vagina. Once you hit it, push out toward your belly button and watch the water flow!

Have you been able to make any porn starlets squirt? If so, which ones?

Yes, I have! I've made Jenna Ross, Riley Reid, Remy LaCroix and a few others squirt. I think that I am one of the few female performers that can make other girls squirt. Short fingernails are a must. Girls with long nails are not coming near my pussy. Ouch (laughing) ♣

Who would you love to work with and why?

Asa Akira. I would love to work with her. I don't know whom I need to talk with to make that happen. Please. I want her so badly. We're both so heavily booked that it becomes a scheduling issue too. I'll need to put her on my wish list and hope for the best. However, I am working with Jesse Jane tomorrow. I'm so excited. You have no idea. Everyone tells me how sweet she is off camera and how passionate she is once the camera begins rolling. Yay for me!

If you were given free range/free budget to create the ultimate porn movie, who would be in it? What would the movie be about?

If I have the ultimate budget, I'd employ celebrities in my movie. It would be a POV line where everybody came in and fucked me, one at a time. First, I would have Bruce Willis, followed by Joe Rogan, The Rock, and Joseph Gordon-Levitt.

So, with the exception of the last guy, all of your chosen men are older, bald headed men. What is it about older men that turns you on?

Experience and no bullshit! Those are two good things.

What is your favorite aspect about the adult industry?

I love that there are endless possibilities. You can be doing this one day and that another. You can be here one day and there the next. The sky is really the limit. I have the ultimate job and am paid to have amazing sex with gorgeous people. There are also opportunities for people behind the camera, as well as in front of it. I plan on getting my hands into all of it.

You seem to be free-spirited, easygoing and highly sexual. With that said, is it easy to get into your pants?

No, it's not easy. I am a very cautious, conscientious person. I am a professional person that has sex for a living. I am not promiscuous in my private life. I am careful.

Speaking of pants, what type of panties are you wearing right now?

I am wearing boy shorts that are tied dyed red, white and blue, with red lace on the top... and Raider's sweatpants. I'm very patriotic. I'm sure my pants are going to make some fans very happy.

What else would you like to say to your happy fans?

If you ain't sinnin', you ain't winnin'! ♣

KAMEYA, NIK & ALEX

What she lacks in experience, she makes up in enthusiasm for her first DP...

33674

"If one huge cock is great, than two of them is even better," Kameya laughed, then posed seductively as the boys tore at her clothes and let their hands and mouths explore her young, tight body.

Kameya took the cocks into her hands like a pro and worked her tongue at each shaft as if she was cooling off with ice pops in a heat wave.

"I want to take a dick in both ends," she confessed to her men, as Alex continued slapping his tool against her tongue while Nik aimed his rod at her hairless split.

Nik teased her pussy with just the tip before giving her the hard humping she so badly craved. With Alex parking in Kameya's mouth, Nik pumped deep and hard into her pussy, and the double dick session sent the horny harlot into an orgasm that rocked her entire body.

The final act came when the Alex white-washed Kameya's face with his paint, and Nik blasted his load all over her ass cheeks. ♣

CIPRIANA & TOTTI

Not an inch goes to waste with this slut...

33393

“I had a long day at work, babe. All I want to do is take off my clothes and sit around naked,” Cipriana musters, taking off her skirt and shirt across from her husband.

“Well, that’s fine by me,” Totti says, helping her out while letting his hands flow all around her body, until it reaches her dewy clit.

“I know how much you hate dressing up for work, sweetie,” he says. “But, I love it when you take them off.”

Laying her down on the bed, Totti slightly puts his girl’s head on his crotch—watching her bob up and down on his huge man-meat until he’s about to burst.”

“This will calm us both down,” she says, hopping on top of him in cowgirl—making sure he feels every inch of her tight walls.

“That’s it,” she says, hopping up and down. “I love it when we’re dirty after a long day at work.”

Watching his eyes roll back, she finally jumps off him—stroking his thickness until gashes of his boy batter splash across her chest.

“That’s exactly what I needed, babe,” she says. “I think now I’m going to start dinner.”♣
